

Nursing Home Quality Initiative Quality Measures State and National Averages from Quarter 1 of 2008

The table below provides state and national averages of the quality measures being publicly reported on CMS's Nursing Home Compare website (www.medicare.gov) as of July 2008. These quality measures were calculated by CMS from MDS data submitted by nursing homes for the target quarter ending in March 2008. The quality measure data on Nursing Home Compare are refreshed on a quarterly basis. The next update is scheduled to occur in October 2008 with data from the target quarter of 2008 Quarter 2 ending in June 2008.
