

2007 Ohio Long-term Care Facility Resident Satisfaction Survey

Table: Number of Interviews Needed by Facility Size

Number of residents at your facility	Number of resident interviews needed to achieve 10% margin of error.
1-4	All
5-10	5
11-12	6
13	7
14-15	8
16-18	10
19-23	11
24	12
25-26	13
27-28	14
29-31	15
32-33	16
34-35	17
36-37	18
38-45	19
46	20
47-55	21
56	22
57-67	23
68-80	24
81-86	25
87-91	26
92-111	27
112-134	28
135-155	29
156-177	30
178-238	31
239-312	32
313-750	33

Note: If your facility is co-located, number of interviews needed for your nursing home and residential care facility will be calculated separately. To protect resident confidentiality, a minimum of 2 surveys are required for results to be published for your facility.
