

Nursing Home Quality Initiative Quality Measures State and National Averages from Quarter 4 of 2006

The table below provides state and national averages of the quality measures being publicly reported on CMS's Nursing Home Compare website (www.medicare.gov) as of April 2007. These quality measures were calculated by CMS from MDS data submitted by nursing homes for the target quarter ending in December 2006. The quality measure data on Nursing Home Compare are refreshed on a quarterly basis. The next update is scheduled to occur in July 2007 with data from the target quarter of 2007 Quarter 1 ending in March 2007.

State	Chronic Care Measures
