Dear Association Members,

My name is Joe Cilone and I am writing to you today to ask for your support as I seek an At Large position on the OHCA Board of Directors.

I currently am the President of JCTH Holdings, Inc., located in East Liverpool, Ohio. I began my career in the long term care industry after graduating from Franciscan University with a B.S. in Nursing in 1996.

First working as a nursing supervisor with Calcutta Health Care Center, I completed my administrator training and received my nursing home administrator's license in 1999. I became the administrator of Caprice Health Care Center, and in 2004, was named Vice President of Operations for NP Management Company, which operated four facilities in four counties in the state.

In 2007, my partners and I founded JCTH Holdings, Inc. I am now the President of that corporation as the owner/operator of Campus, Caprice, Calcutta and Cedarcreek Health Care Centers, with a total of 440 beds. I am currently in the groundbreaking stages of a new project in Trumbull County, planning to open Countryside Health Care Center and Elmwood Assisted Living Center by the end of 2013.

In addition to my role as President of JCTH, I also have ownership in Community Home Health as well as in Tri-State Supplies, which provides medical and paper supplies to medical facilities throughout northeast Ohio.

I have worked in our industry for 17 years and have become very aware of the issues that our industry is facing, in the light of regulatory constraints, budgetary deficits and the ever-changing political climate. With your endorsement, I plan to commit my time and efforts to work with the members of the Ohio General Assembly so that we can continue to provide the best quality care that all Ohioans have come to expect and deserve.

I would appreciate your support and consideration.

Sincerely,

Joseph Cilone, RN, NHA
